## PERSONAL PROFILE

Chartered Accountant and certified risk leader with over 9 years of experience driving strategic risk advisory, governance, and internal audit across BFSI and consulting domains. Proven expertise in operating with a high degree of autonomy to lead complex, cross-functional engagements, including audit planning, concurrent audits, IT SOX, FAIT, and regulatory compliance (RBI, SEC, BASEL, RBS). Consistently partner with senior leadership (CFO-level), regulatory bodies, and diverse global stakeholders to strengthen internal controls, governance frameworks, and achieve significant process and cost optimization. Strong track record for hiring, developing, and retaining talent by leading and scaling high-performing teams (10+ members) and formal mentorship programs. Currently contributing to strategic risk advisory at Diligent Corporation and formerly led financial and IT audits at EY and Wells Fargo.
